Dream, Sing & Shine: Puss in Boots Song Lyrics

E n l a L u n a T e a t r o

THE MILL

Ivy: This is the mill, we live here,
Always the same, year by year.
I hate the dust, I hate the wheel,
I want to run, I want to feel!

William: This is the mill, we live here,
The wind is nice, the sky is clear.
I love the land, I love the bread,
I love to work, I make the bed.

William: I love the cat, I love the field.

Ivy: I want a crown and be a queen!

William: I love the mill! It's good, it's real!

Ivy: I hate the mill! Let me feel!

William: I love the mill.

Ivy: I hate the mill.

Both: This is the mill, we live here.

Cat: With my boots,

Ivy: With your boots

Cat: I can help you,
all your dreams,

Ivy: All my dreams

Cat: will come true!

Cat: I need boots,

Ivy: you need boots

Cat: for this puss,

Ivy: for this puss

Cat: I need boots,

Ivy: you need boots

Cat: for this puss,

Cat: With the boots,

Ivy: with the boots

Cat: I can help you,
all your dreams,

Ivy: all my dreams

Cat: will come true!

Cat: With my boots!

The Magic Market

Monsieur Travallé: This is the magic market,
it's lovely and bright.

Signori Rigoberti: This is the magic market,
come here for delight!

Signori Rigoberti: Big blue boots, red round
hats,

Monsieur Travallé: long green capes, funny
pants.

Signori Rigoberti: This is the magic market,
it's lovely and bright.

Monsieur Travallé: This is the magic market,
come here for delight!

Signori Rigoberti: Look at the dress, big and
red,

Monsieur Travallé: shiny crown for your
head!

Make Stars

Cat and Ivy: One, two, one, two, three

Make stars with your hands

One, two, one, two, three

Make stars with your hands

Move your fingers

Move your fingers through the night

Move your fingers

Move your fingers through the night

One, two, one, two, three

Make stars with your hands

One, two, one, two, three

Make stars with your hands

Move your fingers

Move your fingers through the night

Move your fingers

Move your fingers through the night

Magic Land

Cat: Magic land, Magic land
is a land very far,
full of dreams,
stars that glow,
clouds that dance,
winds that blow.

Argos: Magic land, Magic land
it's a very strange land.

Cat: Magic land, Magic land
is a land very far.

Cats wear boots in this land,
you can draw with your hands.

Argos: Magic land, Magic land
it's a very strange land.

Cat: Magic land, Magic land
is a land very far.

Magic land, Magic land
is a land very far.

Argos: Magic land, Magic land
it's a very strange land.

Cat: Magic land, Magic land
is a land very far,
full of dreams,
stars that glow,
clouds that dance,
winds that blow.

By My Side

Ivy: When you are by my side,
I feel the light inside.
You make the dark go far,
you are my shining star,
By my side, by my side, by my side.

Rowan: When you are by my side,
I feel the light inside.
When you smile at me,
my heart feels so free.
You make my world so bright,
you fill my dreams with light.

Both: By my side, when you are
By my side, when you are
By my side, when you are
By my side.

Be You

Cat: They say “you can’t,” but you are bright,
You’ve got your spark, you’ve got your light!
They say “don’t dream,” but dreams come true,
Close your eyes, and go be you!

Cat and Ivy: Fight, time to fight, time to fight! You’ve got your
light!

Time to fight, time to fight, you’ve got your light!

Cat: They say “you can’t,” but you are bright,
You’ve got your spark, you’ve got your light!
They say “don’t dream,” but dreams come true,
Close your eyes, and go be you!

Fight for Your Dreams

Ivy: No matter who you are,

Rowan: You can reach the stars!

Cat: Fight for your dreams!

Ivy: Believe in who you are, shine like a light.

Rowan: You are strong and brave, do what is right!

Argos: No matter who you are, you can go so far.

Cat: You can reach the stars, fight for your dreams!

All together: For your dreams

For your dreams

For your dreams

Fight for your dreams!

Rowan and Ivy: Believe in who you are, shine like a
light.

You are strong and brave, do what is right!

Cat and Argos: No matter who you are, you can go
so far.

You can reach the stars, fight for your dreams!

All together: For your dreams

For your dreams

For your dreams

Fight for your dreams!
