Rules for Enjoying the Theatre

Puss in Boots – 3rd & 4th Grade

Going to the theatre is a special moment!

To have a great time together, please follow these easy rules:

1. Listen to your teachers and the theatre staff.

They will tell you where to sit and what to do.

2. Sit still in your seat.

Don't stand up or change seats during the show.

3. Watch and listen carefully.

The actors worked hard to tell you a story.

4. Don't talk during the play.

Even whispers can be distracting. Talk after the show.

5. Don't clap while they are singing.

Wait until the song is over to clap.

6. Clap when a scene or the play ends.

It's a nice way to say "Good job!"

7. Join in if the actors ask you to!

You can sing or answer, but don't shout.

8. Don't use phones or tablets.

Keep them in your backpack. No photos or videos.

9. Don't touch or bother others.

No kicking seats or making noise.

10. Have fun and enjoy the magic of theatre!

Enjoy the story, the music, and the characters.

Thank you for helping us enjoy the show together!

Let's have fun with Puss in Boots!
