CLEAN

(VERSE 1)

MIKE

Clean, clean, clean,
I clean everything!
With my mop,
with my brush,
I clean everything,
I clean it all for you!

I clean the floor,
I clean the room,
I clean the stars,
I clean the moon.
Clean every place,
clean every time,
clean every day,
clean all night!

Oh no, dirt!
Go away!
You can't stay another day!
Dust, dust, don't come back,
I will chase you, that's a fact!
Clean, clean, clean,

I clean everything!
With my mop,
with my brush,
I clean everything,
I clean it all for you!

I clean the floor,
I clean the room,
I clean the stars,
I clean the moon.
Clean, clean, clean,
clean, clean, clean,
clean, clean, clean,
clean, clean everything!

I LOVE GREY

GRACE

I love grey, only grey,
no more colours, go away.
I don't like colours in my life,
I don't want to see bright light,
only grey, only grey,

no more colours in my way.
Red, blue, yellow, go away,
purple, orange, far away,
no more colours, no more play,
I love grey, only grey.

Green and pink, go away,
black and white, you can stay,
only grey, every day,
I love grey, only grey.

(FINAL)

Grey, grey, grey, I love grey,
grey, grey, grey, I love grey,
grey, grey, grey... grey!
